## What's Happening at ATW

By: Callie Soucy

This month the school went to a play called Peter Pan. It was at the Waterville Opera House. In library we read the book Peter Pan, which helped us to understand the storyline!

The actors picked students from the crowd to go on stage. Four ATW students were picked to go on stage to participate! I took two buses, one there and one back to school. It was a fun field trip!

## What 2nd Grade is Learning in Specials

By: Owen Orff

In 2nd grade we have been working hard in our special classes.

In Art we drew cool little hearts. My heart had purple dots and seafoam green stripes with red as the background.

In Technology we are learning how to research topics online using Kiddle, a kid friendly search engine. I researched about an animal called Pangolin.

In Music we have been playing instruments. We play lollypop drums and mini moracos. I like playing the lollypop durm the best!

In Library we have been reading books like Peter Pan and Piper Green and the Fairy Tree. After reading time we can choose to put together puzzles or color. I like doing puzzles!

Students from Mrs. Couture's class putting together a puzzle in Library!

Students from Mrs. Roberts' class painting in Art.

## Monthly Theme - Kindness

### 5 Ways To Be Kind

By: Lianna Dane

1. Help others when they get hurt.
2. Speak nicely and use manners like "thank you", "no thank you" and "please."
3. Be friendly to your classmates and teachers.
4. Include others by asking them if they want to play when they are alone.
5. Share toys, books and playground equipment.

## Comic Strip

This month's comic strip is called "Always Be Good and Kind."
