5 Ways To Be a Good Friend

By: Ian Stone

Every month we have a new theme. This month's theme is Friendship.
Here are 5 ways to be a good friend.

1. When someone has a frown on their face you can make them smile.
2. If someone doesn't have a friend to play with you can play with them.
3. If someone falls and gets hurt you can help them get up and take them to the teacher.
4. Sharing a toy when you are done with it.
5. Listening to your friend when they are talking to you.
